License Key Activation

After you install GstarCAD 2021and start-up software, the system prompts you to choose Activate or Trial. In both cases, please select a version accordingly first

- If you want to try GstarCAD 2021, just select **Trial** to get a **30-day trial** of the software. During the trial period, the product performs as fully activated.
- If you already have a valid license key, you can activate the software directly by selecting Activate to open GstarCAD License Manager. Or you can access GstarCAD License Manager from Help menu-Register
